

CBRE ALL SCHOOLS COACH Ryton RFC

CBRE All Schools is a three year out-reach programme which aims to bring the game, culture and ethos to new audiences and in particular, enable schools to start and sustain rugby union. Throughout the programme hands-on coaching support deployed in the schools will play a major part in forming the foundation from which the school can develop rugby. The school will need high quality, engaging and appropriately-skilled coaches to not only enthuse new players from challenging backgrounds to want to play the game, but to create willingness for school staff to get involved in growing the rugby programme.

The Rugby Football Union (RFU) is looking to appoint rugby union coaches who will be able to contribute to the growth of this exciting initiative.

Under the leadership of the Rugby Development Officer, CBRE All Schools Coaches will be required to;

- Play an active role in supporting teachers and others in increasing their knowledge of, and confidence to deliver, the game.
- Deliver high quality, appropriate coaching with targeted groups of players some of which may be from challenging backgrounds.
- Clearly model and promote the RFUs Core Values during sessions and when engaging school staff.
- Support the transition of players from school into the local club

Applicants must have;

- A valid RFU CRB/DBS clearance
- RFU Level 2 coaching qualification (Preferable UKCC Rugby Union Level 2), or the England Rugby Coaching Award (launched 1st July 2017)
- Taken the online RFU Concussion Module
- Current RFU Coach License, or ability to gain one before deployment
- Current Driving License with no more than six points
